

Solar Garden Lamp Specification

Feature

- LED source long service life
> 50000h(5.7years)
- Lithium iron phosphate recycle
Life > 2000times(5.5years)
- Highly reliable and safe

RoHS **CE**

1.1 Product introduction

LED light source, long service life, with light control + time control for light start and close automatically.

The products can be customized individually.

1.2 Specification

SN	Product picture	Type	QTY	Unit	Panel	Battery capacity	Parameter
1		6W	1	set	Poly-Si (6V/20W)	3.2V8000mAh	Control mode : Light control Charge mode : Solar charge Lighting time : Sustainable lighting for about 12 hours
2		9W	1	set	Poly-Si (6V/20W)	3.2V10000mAh	
3		12W	1	set	Poly-Si (6V/20W)	3.2V12000mAh	
4		16W	1	set	Poly-Si (6V/25W)	3.2V20000mAh	
5		18W	1	set	Poly-Si (6V/25W)	3.2V30000mAh	
Warranty							
1years
